

**Managing Director elexon GmbH**

## **Résumé Marcus Scholz**

Marcus Scholz holds the position of Managing Director at elexon GmbH in Aachen since October 2020 and heads the company founded in 2019 as a joint venture of SMA Solar Technology AG (SMA), AixControl GmbH and aixACCT charging solutions GmbH. He is a mobility expert and has been active in the field of modern and demand-driven mobility for many years.

Before joining elexon, he was Managing Director at Belmont in Hamburg. Prior to that, Marcus Scholz spent more than four years as Director Corporate & Mobility Solution at Europcar Mobility Group. Scholz is familiar with the customer side of the business having worked for DÜRR AG for many years as Head of Corporate Mobility Services.
